I think you could use larger biscuits in the brownie pan, and I am sure I would add some garlic and maybe some other seasonings such as the “herbs de provence” or southwest.

**Mini Omelets**

1 Dozen eggs  
Milk  
Toppings of choice: chopped green pepper, onions, diced ham, mushrooms, tomatoes, etc.  
Shredded Cheese (cheddar or swiss)

Whisk eggs & milk (to taste) in Classic batter bowl; pour into the 12 wells then add toppings of choice.  
Bake 375 for about 17-20 minutes or until set. Flip out of the pan & top with shredded cheese
Breakfast Bakes

1 lb sausage, ham or bacon, cooked & drained
9 eggs
½ cup cheese, shredded (cheddar, pepper jack, colby, your choice)
Cubed bread, croutons or frozen hash browns
¼ bell pepper, diced
2 green onions, sliced

Whisk together all ingredients and use the Large Scoop to put one scoopful into the brownie pan. If using hash browns put those directly into the brownie pan first then pour egg mixture on top. Bake at 350 for 17-20 minutes.

Mini Corn Dog Nuggets

Make your corn bread like normal, scoop into the wells and drop sliced hot dog into each. Bake and BAM!! Kids have a hand held meal!! Or you could use croissants and wrap them.. If you don’t do hot dogs you could substitute CHICKEN!!
Mini Lasagnas (makes 2 trays!)

1 lb hamburger
1 15 oz container ricotta cheese
1 egg
1 box no-boil lasagna noodles
Italian seasoning
2 jars spaghetti sauce
Cheese - use a combination of Mozzarella and Cheddar or whatever you want!

Brown your hamburger. Put a small spoonful of sauce in the bottom of each Brownie Pan well. Shake pan to spread sauce around. Break apart the lasagna noodles. Chances are, you will only get one perfect square out of each noodle, but don't throw away the broken pieces! You can still use them! Just piece them together to make a layer! Place a layer of broken noodles on top of the sauce. Then add a small amount of burger. Mix the egg, ricotta, and Italian seasoning. Place a dollop of mixture on top of burger. Top with another layer of noodle. Press down on the top layer of noodle. You need to have enough space to put another layer of sauce. The no-boil noodles require the moisture of the sauce so you don't want to skimp on it! Fill the well with sauce. Cover with foil and bake at 350 for 25-30 minutes, until the noodles are soft. Top with cheese and bake an additional 5 minutes to melt the cheese.
Sausage Herbed Stuffing Muffins

6 1/2 cups of white bread, cubed (about 1 loaf)
1/2 pound sausage browned
1 cup yellow onion, diced (about 1 medium yellow onion)
3 celery stalks, thinly sliced
1 leek, cleaned and thinly sliced
1 Tbsp rosemary herb seasoning
1/2 tablespoon salt* (See note below about salt)
1/2 teaspoon freshly ground pepper
1 cup low-sodium chicken stock
2 eggs, lightly beaten

Preheat the oven to 300 degrees F.
1. Thoroughly butter the muffin tin and set aside.
2. In a single layer, place the bread cubes on two sheet pans and bake for 10 minutes, or until barely toasted. Remove and set aside.
3. In a large sauté pan, cook the sausage over medium-high heat, being sure to stir regularly, for about 7 minutes, or until slightly browned and crispy. Transfer to paper towels to drain. The sausage should release a few tablespoons of grease. This is good! We’ll use this to cook the vegetables. If for some reason your sausage is super lean, you might want to add a teaspoon of unsalted butter. Bring heat down to medium, and add the diced onion, sliced celery, sliced leek, salt and pepper, and cook until all is softened and translucent, about 10 minutes. Add the rosemary herb seasoning and cook just until fragrant.
4. Turn off the heat and add sausage, toasted bread crumbs and chicken broth to the vegetable mixture and toss. Do a taste test. Does it need a bit more salt? If you’re all good then add the slightly beaten eggs and mix once more.
5. Using a scoop, transfer mounds of the stuffing mixture to each well in the brownie pan. Be sure to tightly pack the stuffing in each of the cups. This will make sure the mixture adheres to itself and the muffins don’t fall apart.
6. Bake for 20-25 minutes, until top is browned. To remove, take a nylon knife and go around each of the stuffing muffins’ outer edge. Using your knife, gently lift it up out of the brownie pan. Serve warm.

Combine the mushroom mixture with the ground turkey, bread crumbs, milk, egg, and parsley together in a bowl until well combined. Scoop the meatloaf mixture evenly into the brownie pan, pushing down to flatten the meatloaf into the tray. Place in the oven and bake for 25-30 minutes or until the turkey is cooked through. While the meatloaf is baking, make the garlic mashed potatoes Right before you take the meatloaf out of the oven, wash the spinach and place in a skillet over medium heat. Mini Apple Pies

1 package of crescent roll creations
1 can of sugar free apple pie filling
5 Tbs of flour
2 Tbs of sugar

In a separate bowl mix flour, sugar and cut in butter until crumbly. Add to the top of each square.

Pull corners to the middle and add another dash of the crumble. (You might half the mixture or just go crazy and add a lot depending on how much topping you like)

Healthy Dinner “Cupcakes”

Vegetable oil
½ pound ground turkey
½ cup zucchini, grated
1/3 cup onions, finely chopped
¼ cup breadcrumbs
1 egg white
½ teaspoon salt
¼ teaspoon garlic powder
1 cup mashed potatoes
¼ cup carrots, cooked and finely chopped
¼ cup cooked peas

Preheat oven to 400 degrees. Combine the turkey, zucchini, onions, breadcrumbs, egg white, salt, and garlic powder together and mix well to form a meatloaf mixture. Lightly grease the wells of the Brownie Pan with vegetable oil. Spoon the turkey mixture into the wells of the Brownie Pan so that each tin is filled to the top but not overflowing. Smooth with a spoon so the tops are flat.

Place the turkey cupcakes in the oven and bake until the internal temperature reads 165 degrees, about 20-25 minutes. Remove the cupcakes from the oven and let cool for a few minutes, and then carefully remove them from the pan. You may want to use a knife or spatula to gently loosen them before removing them.

Arrange the cupcakes on a plate and "frost" them with the mashed potatoes. Finish the cupcakes by scattering carrot and pea "sprinkles" on top for decoration.
